

Dear Supporter of the Missoula Forum for Children and Youth:

As one of the 650 individuals and dozens of agencies that CONNECT, LEARN, and COLLABORATE through the Missoula Forum for Children and Youth, we know that you are working to make Missoula an even better place for children, youth, and families. Being connected with others who share this vision is critical.

Since 1996, the Forum has been the hub of Missoula's prevention community. In order to sustain our award-winning work and continue to help Missoula Make the Connection for Kids, the Forum would like to extend the invitation to financially support our efforts. This opportunity is to allow those who are in a place to do so, to contribute to our effort to continue providing quality training and dispersing collective knowledge to all in our community who may benefit.

Regardless of ability to contribute, everyone will continue to have free access to these services:

- ✪ Forum Bulletin Board and Email Tree
- ✪ Membership in the Work Groups
- ✪ Coalition Email Trees
- ✪ News and Research Updates

In addition, those who financially support the Forum's collective work will have:

- ✪ Free or reduced-cost registration for all agency staff to Forum trainings, panel discussions, community summits, while simultaneously helping to lower the fee for members who cannot financially support at this time.
- ✪ Opportunity to be highlighted on a new "Agency Spotlight" portion of our website and newsletter

Please support the Forum and complete and mail the attached form to help financially support our work. Thank you in advance for your continued support.

Sincerely,

The Oversight Committee of the Missoula Forum for Children and Youth
